

Home-learning

Year Group: 3	WEEK BEGINNING: 6/12/21
---------------	-------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

Maths
Oak Academy – Continue the unit on **Multiplication and Division**, completing one lesson each day (lessons 6-10) [Click here](#)

Challenge – True or False?

MULTIPLICATION AND DIVISION
Thinking Tom says:
"If I know $6 \times 4 = 24$ then I also know that $60 \times 4 = 240$."

Lesson 6 – understanding that multiplication and division are inverse operations
Lesson 7 – using the inverse operation to find missing numbers
Lesson 8 – recalling multiplication and division facts
Lesson 9 – using factors and products to solve multiplication problems
Lesson 10 – consolidating multiplication and division knowledge (part 1)

Mental fluency – [Beat the Clock](#) Start with level one.
Can you answer the questions before the time runs out?

Irresistible Learning: Pirates

Task 1
Take a look at some information about how pirates lived [here](#).
Have a think about all the new words we have learned in our pirate topic. Could you make a pirate dictionary or write some messages using words like booty, ship mate, land ahoy and doubloon?

Task 2
Can you experiment with some different recyclable materials to design, make and test your own pirate ship? Why not try using foil? There's some ideas [here](#)

English
Oak Academy – continue the narrative unit on the **BFG** by [clicking here](#). Complete one lesson each day (11-15).

Extra writing challenge: Watch [The Pirate Cruncher](#). Now have a go at writing your own version of the story. Use your own pirate characters and create your own pirate cruncher. What will happen to the pirates? **You could send your work to your class teachers using 2email on Purple Mash.**

Reading: Have you got any Christmas books? If you have, share or read a Christmas story with someone in your family. If not, you can click below and read an extract from [The Christmasaurus](#).

Spelling: Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete.

Wellbeing – Advent

We are in the period of advent leading up to Christmas. Read some information [here](#) to find out more.
Why not try making your own reverse advent calendar? Rather than getting a treat for yourself each day, think about how you could give back to somebody else. You could make a donation to a local food bank or write a letter to a relative you haven't seen for a while.
