

Celebrating success at Gig Mill.

thank
you!

Can I begin by saying thank you for all your support during our OFSTED Inspection before the holiday. Myself and the staff were really touched by your kind words of encouragement via e-mail and in person. Thank you too, to those of you who took the time to speak to the inspector or completed the Parent View Questionnaire. It was a rigorous day for our school, led by the inspection team of three on the day.

Good news as we start 2019 - our inspection report has arrived!

Please see the report attached overleaf, a copy will be added to our website prior to OFSTED publication next week.

I am absolutely delighted that Gig Mill have achieved the best possible outcome for a re-inspection of a good school. The report reflects the journey of the school over the past five years, and improvements made year on year, and it is a privilege to work with such a talented team at Gig Mill. Her Majesty's Inspector (HMI) states "the school has demonstrated strong practice and marked improvements in specific areas". I am really pleased that the report reflects the great staff team we have at Gig Mill, and the progress children are making with us. I have shared this amazing news with the children this morning in assembly.

"The school motto, 'Together we care, together we succeed', has now become a reality across the school."

Message from our Chair of Governors:

I would also like to thank the staff, children and parents for helping make Gig Mill such an amazing school - everyone should share a sense of pride - well done!
