

# Home-learning

Year Group: 3	WEEK BEGINNING: 24/01/22
---------------	--------------------------

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

<p><b>Maths</b> <b>Oak Academy</b> – this week we will complete our unit on fractions. Choose a new lesson each day (lessons 11-15) <a href="#">Click here</a></p> <p>Lesson 11 – recognising equivalent fractions (part one) Lesson 12 - recognising equivalent fractions (part two) Lesson 13 – adding fractions with the same denominator Lesson 14 - subtracting fractions with the same denominator Lesson 15 – revising learning on fractions</p> <p><b>Mental fluency</b> - <a href="#">Hit the Button</a> Choose doubles and complete the questions as quickly as you can.</p>	<p><b>English</b> <b>Oak Academy</b> – this week we continue a unit on the book, The Happy Prince. Complete one lesson each day (lessons 11-15). <a href="#">Click here</a></p> <p><b>Extra writing challenge:</b> Read along with the story of <a href="#">Stone Age Boy</a>. We read this book last week. This time, once you have read the book, write a book review for the book. Describe the characters, the plot line and discuss your favourite parts. Remember to give the book a score out of 10. Who would you recommend this book to?</p> <p><b>Reading:</b> Log onto <a href="#">Bug Club</a> to see what books your teacher has given you to read.</p> <p><b>Spelling:</b> Log into <b>Purple Mash</b> and you will find your spelling list has been set as a <b>2do</b>. There is also a spelling quiz for you to complete.</p>
<p><b>Irresistible Learning:</b></p> <p><b>History</b> - Dig It topic – click <a href="#">here</a> to find out about the different periods in the Stone Age. Complete the lesson.</p> <p><b>Science</b> – we are continuing to learn about rocks and soils in science. <a href="#">Click here</a> to find out how sedimentary rocks are formed and complete the lesson.</p>	<p><b>Wellbeing</b> – <b>The Big Garden Birdwatch</b> takes place from <b>28<sup>th</sup>-30<sup>th</sup> January</b>. <a href="#">Click</a> to have a look at the RSPB website where you can sign up. It is simple to take part you just have to spend an hour counting the birds that you see in your garden or from your window. You could take part as a family and join in with the world’s largest wildlife survey. There are lots of resources on the website to help you identify different birds along with things to make and activities that you could do as a family. Most of all have fun taking notice of the world around us.</p>

**Challenge –**

Ron has £28

On Friday, he spent  $\frac{1}{4}$  of his money.

On Saturday, he spent  $\frac{2}{3}$  of his remaining money and gave £2 to his sister.

On Sunday, he spent  $\frac{1}{5}$  of his remaining money.

How much money does Ron have left?  
What fraction of his original amount is this?
