

# Remote learning

Year Group: 5	WEEK BEGINNING: 6.6.22
---------------	------------------------

This is an overview of the main areas of learning in Year 5 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

### Maths: Fractions and Decimals

**Oak Academy:**  
Lesson 1 – Fractions and Decimals [Click Here](#)  
Lesson 2 – Thousandths [Click Here](#)  
Lesson 3 – Comparing fractions and decimals [Click Here](#)  
Lesson 4 – Comparing & Ordering up to 3 decimal places [Click Here](#)  
Lesson 5 – Use [this video](#) to consolidate your fraction knowledge, review equivalence, comparing and ordering (stop at 14.38 as we are not using the worksheets from this video).

**Mental fluency:** [TTRockstars](#)

**\*\*Challenges\*\***

Can you put these fractions in order from smallest to largest? You may need to convert them first.		Can you put these fractions and decimals in order from largest to smallest? You may need to convert them first.	
--	---	---	--

**\*\*Additional Maths\*\***  
There are several **2Dos** set on Purple Mash linked to fractions and decimals to support your learning with the above lessons: **Decimal equivalents**, **Comparing decimals** and **Decimal places**.

### Irresistible Learning (Topic) – Stars and Stripes

**History:** Use [this link](#) to find facts about California and [this link](#) to find out about Alaska. Compare these 2 states and you can use some [information here](#) to decide which state you would rather live in and why.

**Science:** What are [forces](#)? Who discovered [gravity](#) and what is it? Can you find out some information about this scientist? Use this [video link](#). There is a **2Do** set for you to share what you can find out about his research and findings. After watching the video, test your gravity knowledge using the quiz set as a **2Do**.

### English

**Oak Academy:** [Oliver Twist](#) – Start at lesson 6 then continue with one lesson per day.

**\*Writing challenge\***  
Take One Poet - Have a look at our poet this week, Andrew Fusek Peters. Have you heard of him before? Do you know any of his poems? Have a look at [this website](#) to find out about him and listen to and read his poems. Read the poem, Dad. Write your own version using similar techniques about a member of your family.

**SPaG: Spelling:** Practise spelling these words: immediately frequently suddenly sincerely multiply anomaly imply gravelly abrasively atrociously  
Complete the spelling **2Do** quiz on Purple Mash too.

**Reading:** Read chapter 11 and 12, complete the activities on the Powerpoint set as a **2Do**.

**Reading for pleasure** - Log into [Bug Club](#) and read your allocated books and have a go at answering the questions. Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

### Wellbeing - Caring for the Earth

It is **World Oceans Day** on the **8<sup>th</sup> June**. Did you know that about 1 million seabirds die from plastic every year?

Why not start a campaign about the use of plastic bags in your community? Or think of ways to help protect our sea creatures. Have a look at these [example campaign posters](#) for inspiration (scroll down for the different images).

Or you can design a poster or a pin badge that would help save the Ocean. You could encourage others to protect creatures such as turtles or penguins.
