

Remote Learning EYFS

Year Group: Reception	WEEK BEGINNING: 22/11/2021
-----------------------	----------------------------

This is an overview of the main areas of learning in Reception for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week. Please send us any photos of the activities you do through "Evidence Me"

Number, shape & measures:

Number of the week: Watch [this video](#) about our number of the week 3.

Shape of the week: Circle

A circle is a 2D shape. It has 1 side and no corners. Can you find some things in your house that are shaped like a circle?

Activity: Make the number 5 in different ways with dots, lines, Lego, stones and leaves.

Make a table like this- can they show one more and one less than 5?

One less	5	One more

The World / topic

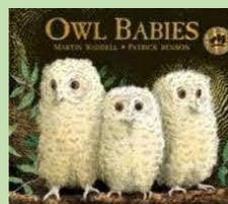

Irresistible Learning Topic: Day and Night- Animals

Listen to the story [Owl Babies](#).

This week we are learning about what the word 'Nocturnal' means. We are exploring which animals come out in the day and which come out at night.

Watch [this video](#) all about Nocturnal animals.

Create a table like this and draw some pictures of animals that come out in the day and night. Can you write some of the sounds you can hear in the names of the animals?

Wellbeing – What makes a good friend?

This week we are thinking about friendship. It is important for us to have good friends around us to talk to and play with. What makes a good friend? How can we make sure we are being a good friend? For your task this week, we would like you to draw a friend and tell your grown up some reasons that make them a good friend.
