

Remote learning

Year Group: 4	WEEK BEGINNING: 07.06.21
---------------	--------------------------

This is an overview of the main areas of learning in Year 4 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths
Daily lessons:
[LESSON 1 – Recognising decimal tenths \(part 1\)](#)
[LESSON 2 - Recognising decimal tenths \(part 2\)](#)
[LESSON 3 – Comparing decimals](#)
[LESSON 4 – Rounding decimals \(part 1\)](#)
[LESSON 5 – Rounding decimals \(part 2\)](#)

Challenge: Write the missing digits to make the statements correct.

9 . 2 ○ > 8 . 1 ○ > 8 . 1 3
2 . 7 ○ < 3 . ○ 9 < 4 . 0 3
4 . 1 8 > 4 . 0 ○ > 4 . 0 3

Mental fluency: Use [TTRS](#) to practise times tables.

English
Oak Academy: [Angler Fish – Non-chronological report](#) (Complete lessons 1-5)

Writing Challenge: You're washed up on a desert island. What items do you desire the most and why? Think about: What you might need on the island, what you might wish for on the island, what home items you might miss.

SPaG: This week, we are learning to spell homophones and near homophones. Practise spelling the words: **heel, heal, main, mane, key, quay, check, cheque.**

Reading (Oak Academy): [Click here](#) to access lesson 3 of 'A Christmas Carol' by Charles Dickens. You will practise some techniques for understanding tricky vocabulary.

You can also read books allocated to you here on [Bug Club](#).

Irresistible Learning: (River Deep, Mountain High)
Geography: Have you ever wondered where rain comes from? If you thought of clouds then you'd be right, but how are clouds formed and where do they get their water from? Find out more [here](#).

Click [here](#) for more information. Click 'Log-in' for Espresso and use the login details:
Username: student30261 Password: penguin
Search 'the water cycle' and explore the videos and activities related to this topic.

Challenge: Using the information you have learned about the water cycle, create a 3D diagram of the water cycle or design and write an explanation text or fact file.

Wellbeing - Caring for the Earth

It is **World Oceans Day** on the **8th June**.

Did you know that about 1 million seabirds die from plastic every year? Why not start a campaign about the use of plastic bags in your community? Or think of ways to help protect our sea creatures. Have a look at these [example campaign posters](#) for inspiration (scroll down for the different images).

Or you can design a poster or a pin badge that would help save the Ocean. You could encourage others to protect creatures such as turtles or penguins.
