

Remote learning

Year Group: 5	WEEK BEGINNING: 04.04.22
---------------	--------------------------

This is an overview of the main areas of learning in Year 5 for this week which will link to the learning going on in school. Please use these as the main activities for remote learning if your child is unable to attend school during this week.

Maths: Mental fluency: [TTRockstars](#)

Oak Academy: Measure

Lesson 1 Solving problems with miles and kilometres ([Click here](#))
Lesson 2 Converting between metric units of mass ([Click here](#))
Lesson 3 Solving problems with metric units of mass ([Click here](#))
Lesson 4 Converting from kilograms to pounds ([Click here](#))
Lesson 5 Solving problems between pounds and kilograms ([Click here](#))

White Rose: Please use these videos to support learning, if required:
[Imperial measurements](#)
[Metric measurements](#)

Additional Maths
There are some **2Dos** set on Purple Mash linked to measurement.

English
Oak Academy: [The viewer](#) – Start at lesson 10 then continue with one lesson per day.

Writing challenge
Use [this link](#) to find out about William Shakespeare and complete the fact file set as a **2Do** – make sure you include biographical features such as: place of birth and family history. You may want to conduct more research to help you with this or look at this [website](#).

SPaG: Spelling. There is a review set on Purple Mash of all the spellings we have done this term.

Reading: We have finished using Who let the Gods out? For guided reading. Write a book review on the book. What have you enjoyed? What was your favourite part? Who is your favourite character? What do you think will happen in the end?

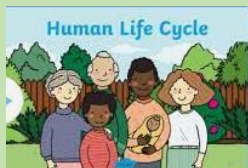

Reading for pleasure - Log into [Bug Club](#) and read your allocated books and have a go at answering the questions.
Read the latest edition of the First News newspaper [here](#) - you will find lots of interesting articles and reports on a range of interesting topics. *Your parents will need to sign up to the [free subscription first](#).*

Irresistible Learning (Topic) – Ancient Greeks

 We will finish our learning of Ancient Greeks in our IL lessons this week. Write a review of what you have learnt this term. What facts have you learnt? What surprised you? What was most interesting?
There is a 2do set that helps you do this as a leaflet if you wish to.

Science: Human life cycles – watch [this video](#) about how humans change during a lifetime. Have a go at the 2Do uploaded: Read each human life stage description carefully and match it to each image by drawing lines. Complete the empty labels for each stage by using the vocabulary box to help you.

Wellbeing – Respecting ourselves and others. This term we have learnt how to be more accepting of others even though we are all different. This week we are learning how to deal with cyber bullying and discrimination. Write a leaflet that will help someone report online bullying. This [website](#) will give you some more ideas.

National wildlife week
This week is National wildlife week. There is more information on this [website](#). To celebrate this week, you could draw or paint a picture of your favourite animal or make a pledge on what you could do to help wildlife near your home.
