

# Home-learning

Year Group: 3	WEEK BEGINNING: 17/01/22
---------------	--------------------------

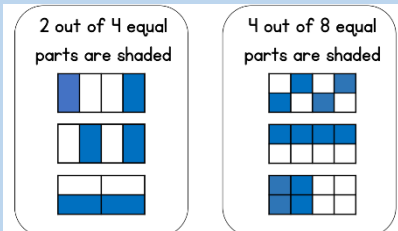

This is an overview of the main areas of learning in Year 3 for this week which will link to the learning going on in school. Please use these as the main activities for home-learning if your child is unable to attend school during this week.

**Maths**  
**Oak Academy** – this week we will continue our unit on fractions. Choose a new lesson each day (lessons 6-10) [Click here](#)

**Challenge – True or False?**

Lesson 6 – identify and describe non-unit fractions  
Lesson 7 – finding non-unit quantities of fractions  
Lesson 8 - consolidating finding non-unit quantities of fractions  
Lesson 9 – comparing fractions with the same denominators  
Lesson 10 – compare and order unit fractions

**Mental fluency - [Hit the Button](#)**  
Choose a times table that you know you need to practise.

**Irresistible Learning:**

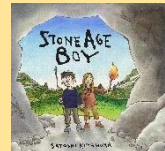

**History** - Dig It topic – click [here](#) to find out which animals roamed the earth during prehistoric times. Complete the lesson.

**Science** – we are continuing to learn about rocks and soils in science. [Click here](#) to find out how metamorphic rocks are formed and complete the lesson.

**English**  
**Oak Academy** – this week we continue a unit on the book, The Happy Prince. Complete one lesson each day (lessons 6-10). [Click here](#)

**Extra writing challenge:** Read along with the story of [Stone Age Boy](#). When you have read the story can you retell it to an adult? What was your favourite part? You could have a go at writing what you think happened next in the story: does he ever get to return to see Om? You could make your own book in the style of Stone Age boy and you could be the character that goes back to Stone Age times for an adventure.

**Reading:** Log onto [Bug Club](#) to see what books your teacher has given you to read.

**Spelling:** Log into **Purple Mash** and you will find your spelling list has been set as a **2do**. There is also a spelling quiz for you to complete.

**Wellbeing – mindfulness and self-care**  
This week we are focusing on self-care and developing strategies to help us when we are feeling a little low or sad. Find a box and fill it with things that ground you or make you make calm. When troubles come along, you can look inside your self-soothe box and find some comfort. Ideas for things that could go inside your box include: a colouring sheet, a photograph of a happy time, a stress ball or fidget toy, a cuddly teddy or a card with a positive message on it (e.g. everything will be ok).
