To join in with the Easter Eggstravaganza you will need to register for the activity on [www.pta-events.co.uk/gigmillhsa](http://www.pta-events.co.uk/gigmillhsa).

The trail costs £1.50 per child.

You are invited to join in with Gig Mill HSA's first Easter Trail. You will receive a trail map, activity sheet and instructions via email (you do not need a printer to take part). The trail map will show you where to find all the HSA eggs. On each egg there is a number. Collect them and add them together to make the Magic Easter Number. Email the number back to the HSA by Tuesday 26th April with your child's name and class. Every correct entry will get a prize! Prizes will be awarded in school. **HAVE FUN!**
